5th Grade Newsletter

What's Happening In 5th Grade??

Classroom

A quick reminder on dismissal policies here at OUE. If your student has a change in dismissal, please call the office or write a note in the students' planner. Please do not send an e-mail or leave a voice mail message with instructions for a dismissal. This will help to ensure the message is received before school is out.

Reading and Writing:

Our students have been reading and starting to write opinion and persuasive essays. Some classrooms are finish the *Percy Jackson, The Lightning Thief* read aloud book., while others are working analyzing text structure of expository text.

Math:

We are currently learning about simplifying fractions, and adding and subtracting them with different denominators. We are working on using Mixed numbers. Our next units will include multiplying and dividing fractions. Keep practicing those multiplication facts at home!

Science

Students were sent home with information regarding their Solar System Projects. Projects are due March 1st. Parents and friends can come by the cafeteria to see all the 5th grade displays on March 7th from 6:00-7:00 p.m.

Social Studies

This past month we have been studying explorers of North America. Students are doing varies classroom activities with this topic.
