

Mrs. Babb's Class

April 2018

We are learning:

- **Reading:** How non-fiction writing is organized and how recognizing this helps the reader understand the text.
- **Writing:** How to write and read the many different kinds of poetry.
- **Math:** We are revisiting concepts learned this year to prepare for the MAP test, and previewing concepts students will see in fifth grade.
- **Social Studies:** All about economies!
