

Mrs. Armstrong's Class 2018 April Newsletter

CLASSROOM NEWS

COMMUNICATION ARTS:

We have been working on answering questions about our reading using details from the text. The kids have been working hard on their Reading Challenges. We have also been working hard on our reading skills during Book Group time.

MATH: We have been busy mathematicians!!!!

We have been studying geometry, graphing, and units of measurement. The class has been working hard to convert measurements. We have worked on creating graphs based on surveys we conducted. The class will be reviewing polygons and learning how to measure angles using protractors.

SCIENCE & Social Studies:

We have tested over Weather and the Water Cycle. We have begun our study of the American Revolution.
