Thursday (B)

Music/Library

Friday (C)

Computer/P.E.

March 2nd is Read Across America. To celebrate this day, we will have a school-wide pajama day. Please watch the weather, and dress appropriately for outdoor recess.

Weekly Curriculum

Reading/Science/Writing: We are finishing up our rain forest unit, animal reports, and animal projects. Don't forget to read at home, and record your books when you complete them. Students should be reading 3 chapter books this month. I will take a look at their black folders on Friday.

Spelling: Congratulations to last week's 100%!!! This week's words are: **happen, sudden, summer, supper, letter, lesson, ladder, dinner, cotton, better, bottom, pepper, mitten, ribbon, and kitten.** Study for Friday's test!

Math: We are learning about polygons, quadrilaterals, perimeter, area, and lines. Please continue to practice multiplication facts. We will have timed tests periodically.

Science: Students' animal reports and projects are due by **Wednesday, March 28th!!**

Third Grade Habitat Night

Thursday, March 1st, is our Habitat Night at 6:00. Parents will have the opportunity to check out all the habitats the third graders have been learning about the last few weeks. Each classroom studied a different habitat, and students researched various animals from that biome. Please take the time to check out what we've learned and all the students' hard work. This is always an exciting night for the kids!

Spotlight on Students

Hard Worker: Wilson Johnson, Ciarra Witthar, Natalie Doney, Renae Harrison, and Eva Alexander

High Academics: Jackson Whitaker

Golden Rule: Tamery Tuttle

Cool Kid: Maddox Morgan

Jackson Whitaker received his **Academic Bulldog** pin for receiving thirty 100% on tests! Way to go, Jackson!
