Parent-Teacher Conferences

Parent-Teacher Conferences are this week! If you need a reminder of your day and time, please let me know. Due to my full schedule, I will do my best to stick to your allotted time.

Weekly Curriculum

Reading: We will be reading various picture and chapter books. Students will be learning the difference between fables and fairy tales. Students will be visualizing (making pictures in their head) while reading. We will also be working on the plot, setting, and characters of a story.

Writing: We are finishing our personal narratives this week. Please take a look at them when you come to conferences this week.

Spelling: This week's spelling words are Halloween words. The words are **October, Halloween, orange, candy, black, witch, bones, ghost, skeleton, monster, broom, costumes, pumpkin, scary, and haunted**. Test will be Thursday! Please study! Congratulations to last week's 100%!!

Math: We have started learning multiplication! We are realizing it's not so difficult, if we use strategies such as, repeated addition, equal groups, arrays, skip counting, and/or a number line. We will begin memorizing multiplication facts. Please help you child practice!

Social Studies: We will begin talking about the three branches of government for our local community.

OUE Student Council is collecting boxed food items from Oct. 9th- Oct. 19th. Items will be donated to the Odessa Community Service Center. The top collecting class will receive an ice cream treat!
