What's Happening In Our Classroom??

Classroom

Happy New Year!! It is hard to believe the new year is already upon us. That also means that your students are half way through their 5th grade year and closer to Middle School! We will begin practicing 3 minute passing periods in my class to help students acclimate to transitioning between classes at the Middle School.

A quick reminder on dismissal policies here at OUE. If your student has a change in dismissal, please call the office or write a note in the students' planner. Please do not send an e-mail or leave a voice mail message with instructions for a dismissal. This will help to ensure the message is received before school is out.

Reading:

Our students will start working on analyzing text structure of expository non-fiction writing. , this will include some fun things like how to write directions, and recipes!

Writing:

We finished our Personal Narrative Unit and will begin working on Opinion Writing!

Social Studies:

We will begin our new unit on Explorers and Colonization in January.

Math:

We have finished our Algebra unit and will begin LOTS of fraction work in January!!
