- High Academics  
Winners  
Nate Bullock  
Caleb Payne
- Golden Rule Winners  
Mia Covey  
Josh Wright
- Cool Kid Winners  
Haider Dyson  
Sierra Knox

## What's Happening In Our Classroom??

### Classroom

Our classes are learning about economics in preparation for our School of Economics field trips the first week in November. Students have been given their job assignments, and are learning what they will do on their trips.

A quick reminder note on dismissal policies here at OUE. If your student has a change in dismissal, please call the office or write a note in the students' planner. Please do not send an e-mail or leave a voice mail message with instructions for a dismissal. This will help to ensure the message is received before school is out.

### Math:

The previous month we have worked on division with one divisor. This next month we are extending that learning into two digit divisors! As a reminder, you can always practice your multiplication skills at home.
