

Mrs. Hotmer's Newsletter

Important Information

Welcome to 4th grade! We have had a wonderful start to the year. The students have been working hard at learning classroom rules and routines. The students have done a great job filling out their assignment notebooks, getting them signed, and bringing them to school everyday. **If a paper is Homework, the students will highlight the assignment and write "HW" next to it in their assignment notebook, as well as write "HW" on the top of the paper.** The students have already earned lots of compliments around the school and are working towards earning a class reward. **If you have not already, please make sure to sign up for text reminders by texting "@hotmer4" to 81010. Also, if you would like to receive class e-mails, please send me an e-mail letting me know to add you: jhotmer@odessar7.net.**

What are we learning?

Math: We are working on Multiplication and Division.

Writing: We have been working on our cursive writing, grammar and developing story ideas for the school year.

Reading: I have been getting to know your students as readers and developing our reading community.

Content: Science has been our first topic with studying about Scientific Inquiry. Then we will move into Social Studies where we will learn about Missouri History. This will help get us ready for our Fort Osage field trip on September 14th!
