Reading: Next week we will be doing bat research using the Chrome Books. Each group will be assigned a different type of bat to research. They will be doing other different reading activities during their other rotations. One day they will be listening to *Stellaluna* on the Chrome Books and then fill out a story map.

Writing: Next week we will start our unit on fiction writing. They will be writing a story about a turkey. They have to make up the problem the turkey has and then come up with a solution.

Spelling: Next week words are long ow, oa, and o pattern.

Math: We are continuing with multiplication. We will work on 9's and multiplying by 10 and multiples of 10.

Science: We are going to be discussing what is science and what is a scientist and what they do.

Celebrating Bulldog Cheers

Hard Worker	Abby Lewis
High Academics	Justin Scott
Golden Rule	Lilly Deaton
Cool Kid	Brodie Barker

Have a great chilly weekend!!!!
