We have had a “fantabulous” first week of school!!!

Reading: I will begin discussing the reading structure of Daily 5 in my class room. Daily 5 works while I’m meeting with guided reading groups. The students sign up for work on writing, word word(spelling), read to someone, listen to reading, and read to self. Read to self I do as a whole class so I can conference with them about their reading. We will also be doing whole reading of *Miss Nelson is Missing and Miss Nelson has a Field Day*.

Writing: We will read books about a character who felt bad then by the end they were feeling good. Students will then write about a time when they felt bad in the beginning and they ended up feeling good about their situation.

Spelling: Next week words are short o and short e pattern. Just a reminder we will be having a spelling test every Friday.

Math: We will begin working on greater than and less than and putting numbers into order from least to greatest and greatest to least.

Social Studies: We will be making a map book. In that book will contain the states that border Missouri and at some point they will be tested over that. I will let you know when that time will be.

Reminders: **Friday, Aug. 31 will be an early release at 11:20.** Please make sure your child knows what they are doing if their plans are different that day.

Monday, September 4 NO SCHOOL Labor Day.

I do a Bulldog Cheer each week to recognize students.
