WHAT WE ARE LEARNING

- * **Math** – Time and Fractions
- * **Reading** – Nonfiction Narratives
- * **Writing** – Expository
- * **Word Study** – Weekly spelling lists

Science – Magnets

NOTES FROM THE TEACHER

Continue to work on spelling lists, weekly math and reading to improve skills.
Sign up to get weather updates on your phone.

HOMEWORK

Work with your child on telling time, telling how much time passed between two times, telling what time it would be a given number of minutes following another time.

IMPORTANT DATES

As we move into fractions, the students will struggle to learn this difficult subject. Please give any ideas about the way you understand fractions.
