

Ms. Snow's Class
Classroom Newsletter
September 2017

We have had a great start to the year. We are working hard to learn and develop the routines that work best for the group that we are. Your children keep me busy, but also keep my heart full. They are lovable!

Please remember To initial the planner every night. Do not sign ahead on it. The planner is used to keep in touch.

September 1st is our first early release. We do not have lunch that day. We dismiss at 11:20. Please let me know if your child gets home a different way on an early release.

ANY transportation changes can be left with the OFFICE in the form of a call OR written in the Parent Teacher Connection part of the PLANNER.

We will have an early release on September 22 for Homecoming. No school on September 29 for professional development.

We have a visiting student from UCM every Monday. She is a Senior in College, and is having this field experience before she student teaches in January.
