April 2018

Dates to Remember

April 2, 3 & 13th – Make-up Snow Day

April 5th – OUE PTO mtg 5:00

April 12th OUE PTO Spring Fundraiser Ends

April 20th Midterm reports go home

April 24 – May 4th Map Testing for my room.

Math - We will be working on money, time and reviewing what we have learned throughout the year. PLEASE help them practice their Math facts. (Addition, sub. Multiplication).

Reading– Continue working on the log. I do put what week is due in the assignment book.

Reading- We will begin Literature Groups in reading, after we have completed the MAP test. Each student will be responsible for reading an assigned part of the book and completing his/her job. They must come prepared to share with the others in the group.

MAP Testing: Map Tips – Before the Test

Sleep – May sure your child gets plenty of sleep the night before.

Dress - Wear comfortable clothing and shoes.

Food – Please make sure your child has a good breakfast. They may also bring a healthy snack for later in the day like normal.

Letter – I will be sending home a piece of stationary along with an envelope for you to write them a letter. First, write your letter in cursive. They should be able to read it. Second, tell them how to be positive and to remember to read **ALL the directions**. Remind them to ask questions if they need to. In all, just tell them how proud you are!

Social Studies- We will begin a fun unit on Economics. This is probably one of their favorites.

It has been my privileged and blessing to have your child this year. I would love to hold on to them for another year!
