

Mrs. Adamec's Class Classroom Newsletter April

Dates to Remember

Terra Nova Testing April 15-18
No School- April 12, 19, 22

Fieldtrip to Deanna Rose Farm-
May 17 - more info to come
later!

Snacks/Water bottles

Please remember your child may bring a small, nutritious snack daily, as well as, a water bottle. Thank you to those families who have donated snacks for the class!

Homework

Reading for 10 min each evening!

Record reading in monthly reading log!

Other things to work on at home:

- Addition/subtraction facts to 20
- Being responsible for homework and cleaning out home folder every evening
- Practice word cards

Classroom News

Word Work: We are working with long vowel patterns- ai, oa, ee, ea. We are working on running our finger under words to help us spell and listen to what we hear first, next, and last.

Reading: In shared reading, we are reading fractured folktales. We are comparing and contrasting each version.

In reading groups, your child is working on skills at his/her reading level.

Math

We are telling time to the nearest 5 minutes. We explored graphs. We are beginning to explore money to the nearest dollar. Please practice counting coins at home- quarters, dimes, nickels, pennies.

Content: We are exploring landforms- hills, plains, mountains, valleys, rivers, etc.

Writing:

We continue to learn about the writing process- planning, drafting, revising, editing, publishing. We wrote a persuasive story about what would be a good class pet. We stated our opinion, included reasons and examples, and developed a conclusion at the end.

If you have any questions, you can e-mail, write a note, or give me a call!
