## Classroom News

**Word Work:** We are working with words that end with the k sound at the end- spelled with ck, ke, or k. We will review sight words.

**Reading:** In shared reading, we are reading the chapter book, Winn Dixie. We are retelling each chapter in our own words.

We are completing middle of the year reading tests. Instead of reading groups for the next couple of weeks, I will be assessing each student individually.

### Math

We continue to practice addition and subtraction facts to 20 weekly.

We have been comparing numbers to 100. We will be writing, reading, and comparing numbers to 1000.

**Content:** We are finishing our science experiments. We will explore continents and do Christmas activities.

### Writing:

We followed the writing process- planning, drafting, revising, editing, and publishing with our narrative stories. We will continue to use the writing process throughout the year.

We will be writing an informational story about a topic.
