Welcome to Kindergarten!

Reading

We have been working on nursery rhymes, new poems, reading new Big Books, and we will finish testing with Mrs. Bass. We will continue to practice what it should look and sound like during morning stations so Book Clubs can run smoothly when we can start them!

Writing

We are learning how our writer's workshop time should look and sound. We will also learn what writer's do to help them spell. We will use the ABC chart and look around the classroom to help us.

Math

We will continue our unit on numbers 0-10. We will learn how to write them, tally them, count them, etc. We will focus on this unit for the month.

Content

Our friendship unit ended with a great Friendship Salad. We are happy to have no rotten bananas in this room!

We begin our unit on the 5 senses this week.
