Information from Mrs. Bass

I cannot thank you enough for blessing me with your children this school year. I have loved all our moments... the highs and lows. Each and every child has made an impact in my life that I will forever cherish! Please continue to keep in touch with me. I love seeing my kiddos greet me when I see them in the hallway, and love keeping in touch with the families I've been blessed with.

As you continue with your child's education, know the importance you have as their first educator. Continue to be excited about their school day, read with them, and soak up their love of learning. Thank you for allowing me to be their Kindergarten teacher!

Sincerely,
♥Mrs. Bass♥
