Burroughs' Frogtastic News

Get Ready for a "Hopping" good year in Kindergarten!

A golden yellow note came home a few weeks ago that explained our Field Trip to Science City in April. PERMISSION SLIP AND MONEY IS DUE BY FRIDAY!!! We have to turn in money a month ahead of time, so if you have not returned both the money and slip, it has to be done by Monday! This goes for parents attending too!

A note also went home last week regarding Spring Parent-Teacher Conferences next week! Your student either came home with a note saying we do not need to meet, or we do need to meet and to please sign up for a time on the back. I am available that entire afternoon for conferences, so if you would like to meet but I didn't request to meet, please let me know! If I requested to meet with you, please select a time and return it to school. I need to get my schedule for next week done ASAP!

Spring Pictures are next Thursday, March 8th! Make sure and be mindful of the weather! We will go outside for recess if it is 32 degrees or higher!

Upcoming Dates of Importance:

- ☉ PTO Meeting-March 6th at 6:45pm
- ☉ Spring Pictures-Friday, March 9th
- ☉ Field Trip Permission Slip and Money Due-Friday, March 9th

Frog of the Week

Thank you to all the Frogs of the Week! It was so neat to get to honor each student and the things they like! I will be letting a few have some special show and tell days, as they might have missed a few of their days due to illness or weather!

Look what we are learning:

- Poetry-We will be learning a new poem *Rainy Day*
- Word Work-This week we will continue learning about chunks. We will practice /an/
- Big Book (Guided Reading)- We will be reading a new book Wishy Washy Day
- Author Study-We are going to continue our study on author Dr. Seuss!
- Writer's Workshop-This week we will start learning about how to writing.
- Math- We are finishing our unit on subtraction.
- Content-This week we will continue our unit on weather/seasons!
