

# Kelley's Crew

## November News

**Math-** We are learning about 2 dimensional and 3 dimensional shapes.

**Shared Reading-** In the next few weeks we will be reading about Thanksgiving. We will be reading fiction and nonfiction stories. We will be learning about the first Thanksgiving.

**Writing-** In writing we have been talking about conventions. (Capitalization, spacing, spelling sight words correctly and ending punctuation) We are really trying to hear where our voice stops when reading a sentence to help us know where to put punctuation.

**Spelling-** Please continue to practice verbally spelling, writing and sorting our spelling words. (-ip, -ig, -ill) Our test is November 17.

**Recess-** Please send a jacket or coat with your child each day. At this time of year, the weather is ever changing. We go outside at 1:25 and are out for 25 minutes.

**Content-** In content we are learning about needs and wants. We will also learn about consumers and producers.

**Thanksgiving Cornucopia-** Please contact me if you are able to donate an item for our edible cornucopia. We need everyone to help. 633-5334, note or [lkelly@odessar7.net](mailto:lkelly@odessar7.net)
