

# Kemel's Kennel News

## November

**Reading:** We have began reading groups, and books have started coming home. Make sure you are reading with your child each night, and sending the book back the next day.

**Spelling:** We are still working on word families, and recognizing those word families in different text. It is important for them to know that almost always when they see a familiar word family, it will sound the same. That will help when they see the known part in a larger word.

Reminder....You **do not** need to send the spelling work back to school.

### Math:

- Money
- Time to the nearest half hour
- Addition and subtraction facts to 20
- Solving story problems (pictures and matching number sentence)

### Writing:

- We will be writing about small moments and adding more details to the story.
- We will be thinking about key components to stories; who, what, when, why, and how. As well as what happens first, next, then, and last in the story.
- We will continue to look at capitalization and punctuation.

### November Birthdays

November 9– Zach

### November Dates

- November 7- Grandparent Breakfast
- November 21-23: No School  
Thanksgiving Break
- November 27– Family Fitness Night

### Note from Mrs. Kemel

- We will be having a Thanksgiving celebration later in the month, please watch for notes to see what you can help with.

- Keep working on tying those shoes!  
BRRRRRRRRR

Cold weather is quickly approaching. Please send your child with a warm coat and gloves for recess as well as dressing appropriately for the colder weather. We will have outside recess if the temperature is 32 degrees or higher.

- **Content:** We will be learning about Native Americans and their habitats. We will also be doing a study on pioneers and how their life style was much different than ours is today. We will be tying this in with discussion around wants and needs. I will be making a lot of references to Little House on the Prairie during this unit, and reading many of the books. This is such a fun unit, and we will end it with making our own butter and having an Indian POW WOW!!!
