

# McQ Library Times

January 2018

## Kindergarten Classes

Kindergarten classes will be learning to use shelf markers! This will allow students to have a wider variety of books from which to choose. We will begin reading our “wolf” books. We have a surprise ending with Wolf’s Coming and learn all about Winston Wolf that learns to eat books with his eyes not his teeth in Winston the Book Wolf. We will continue our adventures with B.B. Wolf and his story book friends when BB Wolf learns about manners and telling the truth.

## First Grade Classes

First grade classes will learn all about Winnie, the True Story of Winnie-the-Pooh. They will continue using their imaginations to dream of artwork like Willow creates in her story about the love of art and accepting others. We will learn all about the “secret” snow dance in Willow and the Snow Day Dance. We will end the month with learning the story of the Gingerbread Girl. Our story of the Gingerbread Girl is written and illustrated by Missourian Lisa Ernst Campbell.

## Second Grade Classes

Second grade classes will start the new year reading Red: A Crayon’s Story. All the other crayons think Red should be a different color but in the end they learn to accept Red for his crayon color. We will continue learning all about “the scribble” in Frankincrayon which is a follow up to our book Red: A Crayon’s Story. We will share a new book entitled Dex, The Heart of Hero. Who can’t love Dex the dachshund who wants to put a stop to bullying? Dex has always wanted to be a superhero so this is his big chance.

“It is a new year. You have 365 blank pages to fill. Write a good story.”—
