

# McQ Library Times

May 2017

## Kindergarten Classes

Kindergarten is sliding into home plate completing their first year at McQuerry. It seems just yesterday we were sharing our first stories together. We will end the year reading Clara Cookie Fairy. This sparkle filled book teaches us the importance of taking care of our supplies we use daily and that the fanciest is not always the best. We will continue our sparkle filled adventures with Izzy the Ice Cream Fairy. The ice cream well has gone empty. Izzy and her friends have to travel to Frosty Land to search for new supplies to make ice cream. We will finish out the year with The Perfect Nest. Jack the cat is building the perfect nest to attract chickens to lay the perfect egg for his perfect omelet. The perfect nest attracts more than just chickens and Jack has a mess on his hands. We will stop book check on Friday May 5. The last check out date for kindergarten will be April 28 and May 1-2. We will offer summer reading program through the McQ library. Be watching for details on how to participate. We also encourage you to visit our public library, Trails Regional, and participate in their summer reading program too.

## First Grade Classes

First grade classes will be finishing the year with No More Pencils, No More Books, No More Teacher's Dirty Looks!. Gilbert is ready to finish first grade but he is worried if he will get an end of the year award and if his teacher will miss him next year. We will also make a scrapbook of our favorite first grade memories. Last days of first grade library we will learn The True Story of the 3 Little Pigs as told by the wolf and read Surfer Chick to kick off our summer. We will stop book check on Friday May 5. The last check out date for first grade will be May 3-5. We will offer summer reading program through the McQ library. Be watching for details on how to participate. We also encourage you to visit our public library, Trails Regional, and participate in their summer reading program too.

## Second Grade Classes

Second grade classes will finish our year with Cesar Takes a Break. Cesar, the second grade class iguana, is a huge puddle of sadness when his students leave for spring break. So he decides he needs a spring break too. Cesar meets lots of other class pets along the way. He has a huge decision to make...should he stay on vacation forever or return to his classroom? We will also make a scrapbook of our favorite second grade memories. In the book Why Epossumondas Has No Hair on His Tail, we will learn about a hilarious moment in possum history. We will stop book check on Friday May 5. The last check out date for second grade will be May 3-5. We do not offer a summer reading program for second grade as they will be continuing at OUE. However, we encourage you to visit our public library, Trails Regional, to participate in their summer reading program.
