

McQ Library Times

October 2018

Kindergarten Classes

Kindergarten classes are now checking out books. We are sharing some fun seasonal books. My favorite being The Legend of Spookley the Square Pumpkin. It is a heartwarming story about accepting the differences among pumpkins and being kind to one another. To learn more about Spookley and his friends visit <http://www.spookley.com>. We are having autumn adventures with Froggy and a silly turkey that wants to go trick-or-treating. We are also reading about the BIGGEST pumpkin and the littest pumpkin.

First Grade Classes

First grade classes are now checking out two library books. We are still working on using our good library manners and correctly using our new Library STEM Centers. We are meeting the Library Dog in Madilynn and the Library Dog. We are continuing our adventures with Gilbert in Trick or Treat Smell My Feet. At the end of the month we are starting our turkey adventures with Wing, Ollie, and Cassie

Second Grade Classes

Second grade classes are now checking out two books. We are still working on using our good library manners and correctly using our new Library STEM Centers. We are meeting Otis, a tractor, who goes on adventures near the barn where he lives. Otis also makes a friend with a scarecrow. We will be celebrating Halloween with a new books Scarecrow's Hat and One Halloween Night.

"There is no substitute for books in the life of a child." — May Ellen Chase
