## Kindergarten Classes

Kindergarten classes are listening to books about the library and how to take care of their library books. We have been talking about how we look and sound in the library along with basic book care. Kindergarten will begin book check out later in September.

## First Grade Classes

First grade classes have been learning from Reader, the Bulldog, and his PET Patrol about good library manners and proper book care. We have toured the library. We have been on adventures with the Library Lion, Bear and Mouse and Dewey Library Cat. First grade is currently checking out one book. We hope to move to two books in October.

## Second Grade Classes

Second grade classes have been on library adventures with Sam, the Library Mouse. We have taken a tour of the library to refresh our memory of where all books are located. Reader, the Bulldog and his PET Patrol are reminding us about library manners and book care. Currently second grade is checking out one books. In October we will move to two book check out or one book/one magazine checkout.

Hi! I'm Reader, the Bulldog. I'm the library mascot.
