

April News

What's Happening This Month

- April 6th: Science City Field Trip
- April 18th-27th: Book Fair
- April 19th: Author Night 5:30-7:00 pm

A Note From Mrs. Logan

For our field trip to Science City on Friday, April 6th please send your child to school in their black class t-shirt. They will also need a disposable sack lunch. Everything will be thrown away after lunch.

A Peek At What We Are Learning

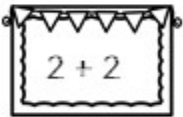

Word Work

Students will be focusing on words with the ending chunk of -ot, -op, -et and -en.

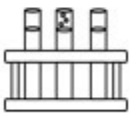

Writing

Students are continuing working on writing opinion pieces. They are also working on writing "How to" pieces.

Math

Students will be learning about money and how to add coins. They will also be working on telling time to the hour and half-hour.

Content

Students will be learning about reptiles, amphibians, mammals and birds.

Things to Work on at Home

- Family Home Project
- Reading
- Sight Words
- Counting to 100
