Snacks

This is a reminder that snacks are fine to bring as long as they are healthy.

Thank you to all the parents that have signed up for the REMIND!

Classroom News

Word Work: Last week we took the Primary Spelling Inventory. This is a spelling test that gives me an idea on what your child knows about words. As soon as I have scored that assessment I will divide the kids according to their spelling level. It is important to know that not all students will have the same words! This week we are focusing on two things. The first is learning the Word Work routine. The second is reviewing short vowels in CVC words.

Reading: Last week we started our reading assessments. I should finish up reading with the kiddos this week. As soon as I am finished I will put them into their reading groups and start meeting with them.

Math: We are talking about addition! This week we will be talking about some different addition strategies. Our goal is to learn our addition facts (without fingers) and to be quick with them!

Content: We have been focusing on what being a "Good Citizen" means. We made a chart on what good citizens are, what they can do and what they have. Next week we will be talking about Scientists!

We have been talking about the Classroom Expectations. We came up with 3:

1. We can be RESPECTFUL
2. We can be RESPONSIBLE
3. We can be SAFE

We have talked about what each one means and have talked about examples. We talked about treating others like we want to be treated

If you have any questions, you can e-mail, write a note or give me a call!
