

Mrs. Miller's Class Classroom Newsletter March

Dates to Remember

March 14th - Early Release
Parent Contact
March 15th - NO SCHOOL
"Spring Break"

Classroom News

Word Work: This month we will continue working with words that have silent e, double vowels, and diphthongs. Look for the words to come home! Please have your child show you how to sort the words and tell you why they sort that way.

Things you can do at home:

- * Word hunts - look for the special feature they are studying
- * Speed sort - have them sort their words quickly

Reading: We started reading the book, *The Miraculous Journey of Edward Tulane*. With this book we will be learning new vocabulary and talking about character traits. We will also talk about how characters can change throughout the story.

Math: We finished up double digit subtraction with regrouping. They seem to understand the concept of borrowing, but struggle with the simple subtraction. We just started talking about telling time and graphs.

HOME: Practice addition facts and subtraction facts

Content: We finished up talking about the continents. We will now move on to land forms. We will learn about all the different land forms there are!

Writing: This month we will be writing a report about a person. The students will research a person and write a report on him or her.

Parent Contact: If your child does not receive a parent contact note, that means it is not necessary. If you are wanting to talk with me, I would be more than happy to schedule a time. Just give me a call or write a note.

MARCH

BIRTHDAY'S

Mar. 17th - Leah

March 20th - Isabella

Happy Birthday!

Snacks

This is a reminder that snacks are fine to bring as long as they are healthy. Thank you to the parents that are sending in class snacks!!

Homework

- Read 15 minutes every night
- Practice addition/subtraction
- Practice spelling words

Thank you so much to the parents that donated items or time to the PTO Carnival. I realize how valuable your time is. I know it meant a lot to your kiddos!

If you have any questions, you can e-mail, write a note or give me a call!
