

April News

Mr. Wood's Class

Peek into our class:

- We will be taking the communication arts and math portions of the Terra Nova Achievement Exam April 15th-18th. We should only need to use an hour each day to finish the test.
- Our next show-n-tell will be on **Friday, April 12th and April 26th**. Students must be prepared to talk about their item. The show-n-tell item should fit into a backpack.

Classroom Work

Writing-Students will be writing to publish work for Author's Night on April 25th. We are fixing up our work and creating new pieces.

Math

Students have started our unit on addition and subtraction using three digit numbers. We will explore different ways to solve problems and practice to make the process fluent.

Classroom FYI

*Bulldog games for the entire school will be on May 3rd this year. Classroom volunteers are needed to travel with the class to each activity.

*Save the date of May 17th. We are going to the Deanna Rose Farmstead. We will use May 20th as a backup rain date. Parents may meet us there to enjoy the day. More information regarding the schedule and cost will be sent home later.

*Don't forget your daily snack. If anyone would like to donate cereal, pretzels, etc. for a class snack we would appreciate it. Thanks to those who have donated this year!

Remember weather conditions change quickly in the spring. Dress to go outside for recess and for dismissal to cars and buses.
