Wood's Class

Peek into our class:

- We are currently in our assessment window for reading and writing. Students are assessed individually to determine progress made since the beginning of second grade.
- Students are beginning the Native American Unit. We will be studying the Woodland and Plains Indians. If you have a shoe box please send it to school with your child. Please no extra-large boxes. We will complete our dioramas before the Christmas Break.

Classroom Work

Writing-Students will be writing narrative pieces before Christmas. We will write letters, make lists, and continue to practice nonfiction writing.

Math

We are working on adding two digit numbers. Students are learning to determine if they need to regroup and carry the one into the tens place.

Examples:

$$\begin{array}{r} 32 \\ + 19 \\ \hline \end{array} \qquad \begin{array}{r} 43 \\ + 25 \\ \hline \end{array}$$

Classroom Christmas Party

**Our Christmas Party will be on December 21st at 10:15.
Let me know if you need any assistance:**

Christmas Party assignments:

Snacks: Maddy's family

Drink: Griffin's family

Craft: Ava's family

Game: Arly's family

Paper Products: Delanie's family

Treat Bags: Volunteer?

We are accepting donations for the treat bags. Also, I think we might need more than one game. If anyone has a neat idea for another game let me know.
