

September News

A note from the teacher: I can't believe we've already made it through our first few weeks of Kindergarten. The kiddos are working very hard at learning the routine and expectations.

Learning Focus

Writing

- We are learning how to think of an event from our life and then draw a picture to match our idea. I am modeling to the class that this can be something they've done with their family or friends or a place they've gone, etc.

- Some kiddos are attempting to record letters as they label their picture.

- Over the next few weeks, students will learn how to listen for sounds they hear in words.
