Homework/ Reading

Remember it is part of your child's homework to read every night, Monday- Friday for 15 minutes. They can read a book from school or they can also read online from the Raz-Kids website. Finally, they will usually have a math worksheet on Tuesday, so please check your child's folder.

Thanks!

Important Dates

4-9-18 Start of Terra Nova
Testing
4-10-18 McQ PTO Meeting
4-19-18 McQ Author's Night at
5:30 p.m.
4-26-18 Second Grade Field
Trip to DeAnna Rose
Farms

Spelling

Your child receives a spelling list approximately once every two weeks. We practice these words during word work time at school but if your child is struggling on spelling tests, they can also practice sorting, doing write and wipe and other activities to practice at home.

Writing

While writing opinion stories we have learned that opinion stories start with your opinion. Then you need three reasons to back up your opinion with three examples. Finally, you restate your opinion at the end to wrap it up.
