

Mrs. Smith's 2nd Grade Class

October is going to be a busy month for us! I have tried to add things to your October Calendar so you are aware of the special events coming up this month. Please note the early release dates and make sure you let me know if your kiddo has a change in dismissal plans! Also, remember we have Parent Teacher conferences coming up. I reminded you of our time on the comment section of the report cards that were just sent home. Please let me know ASAP if you need to change your time for any reason.

Our Halloween Party will be here before you know it! You guys did an awesome job of filling up all the party slots at Open House!! Thank you so much for that!

Here's what I have for the **Halloween Party: Friday, Oct. 26th 1:30**

Snack ~ Julie Begemann

Drink ~ Rachel Hall

Craft ~ Sara Brundage

Game ~ Nancy Stodgel

Paper Products ~ Kristin Parker

Any other needs ~ Julie Whitaker

We have 22 students and no allergies that I am aware of!

This is the Plan for the remainder of the month!

Spelling: We will continue to work on short and long vowel patterns in this month. I've been pleased with the students' spelling work so far. **Math:** Addition and Subtraction fact fluency will continue to be a goal along with reading, writing and comparing numbers to 1000.

Writing: During writing we will be finishing up our Personal Narrative unit and begin a study of informative writing. We will write "How To" reports and "All About" reports.

Social Studies: We are beginning a unit on Continents and Landforms

I look forward to visiting with you all at our Parent Teacher Conference!
