

Happiness is...

First

Grade

December

Homework Assignments

At the beginning of December, we will be doing Reading Assessments so group reading will not be as frequent. Some of the take home reading books will be rereads. Continue to practice reading these books, but be sure to add VOICE to "Sound like a Storyteller".

Dates To Remember

December 18th - Stocking Stuffers DUE

December 19th - First Grade Carnival Rotation

December 20th - Polar Express (PJ's)

**December 21st - Early Release
Christmas Party 10:30**

December 24 - January 7th - No School

January 8th - School Resumes

Content

We will be learning about traditions that take place in other countries during the Christmas season. Our passports are a must as we "fly" to each country using our map and Compass Rose to see which direction we are traveling.

Math

We are working on addition and subtraction within 20 to solve word problems involving situations of adding to, taking from, putting together, taking apart and comparing, with the unknown number in all the positions.

For example:

$$7 + \square = 15$$

$$15 - 7 = \square$$

$$\square + 7 = 15$$

$$15 - \square = 7$$

Writing Activities

We will be writing different type of lists this month. I am guessing Christmas Lists will be something you see come home in the backpacks! We will also be writing "friendly" letters. Santa will be so happy!!
