

April News

Mr. Wood's Class

Peek into our class:

- We will be taking the communication arts and math portions of the Terra Nova Achievement Exam April 9th-13th. We only need to use an hour each day to finish the test.
- Our next show-n-tell will be on **Friday, April 13th and April 27th**. Students must be prepared to talk about their item. The show-n-tell item should fit into a backpack.

Classroom Work

Writing-Students will be writing to publish work for Author's Night on April 19th! We are fixing up previous work and creating new pieces.

Math

Students have started our unit on addition and subtraction using three digit numbers. We will explore different ways to solve problems and practice to make the process fluent.

Classroom FYI

Don't forget to send in the field trip permission slip and student \$5.00 transportation and admission fee for our trip to the Deanna Rose Farmstead on April 26th.

If you have any questions the best way to contact me, my email address is: jwood@odessa.k12.mo.us

Don't forget your daily snack. If anyone would like to donate cereal, pretzels, etc. for a class snack we would appreciate it. Thanks to those who have donated this year!

Remember weather conditions change quickly in the spring. Dress to go outside for recess and for dismissal to cars and buses.

Upcoming Events
