

January News 2018

Mr. Wood's Class

Reminders

- Students are reminded to make good choices, to let the teacher be in charge, and to be the best student they can be. We struggle at times to control the extra talking that interrupts learning.
- Students may bring water bottles and snacks daily.
- Please keep school classroom and library books in your child's backpack unless it is being read. We are having trouble getting books returned for reading group work.

Classroom Work

Science

Students will start a unit on sound. We will experiment and study how sounds travel and how the ear receives those sounds.

Math

We will begin work on subtracting two digit numbers. Students will learn to determine if they need to regroup and borrow from the tens place. Examples:

$$\begin{array}{r} 32 \\ -19 \\ \hline \end{array} \qquad \begin{array}{r} 43 \\ - 25 \\ \hline \end{array}$$

Upcoming Events

- January 5th –Report Cards
- January 15th- No School-Martin Luther King Day
- February 9th-Valentine Party
- February 16th-No School
- February 19th-No School-President's Day

Classroom FYI

- Our special calendar and menus have been sent home. Should we have a snow day, those classes will be adjusted and the calendar will be off by one day.
- Dress for cold weather. When the temperature is 32 degrees or above we go outside, regardless of the wind chill.
