

# September News

## Mr. Wood's Class

### A Peek at Our Week

Our class is off to a great start! We are finishing up assessments and our daily routine is in place.

### Homework and Reading Calendar

Students will have homework in math, reading, and spelling. The homework will be sent as needed. I typically do not send homework home on Friday.

Students will receive reading charts to complete in September.

### Snacks

Remember, students may bring a daily snack and keep a water bottle in the classroom. Donations to pass out to the class of a box of cereal, bag of pretzels, etc. are appreciated.

### Classroom Work

Writing-Students will practice writing stories (personal narratives) with a quality beginning, middle and end. We will write several drafts and begin to work on using resources to revise and edit the pieces.

Math-Our first units will focus on addition and subtraction. We will work on becoming fluent with facts and solving story problems.

Reading-After assessing students, we will begin guided reading groups. Students will be practicing good reading habits and responding to their reading verbally and in reading journals. Reading books will be sent home next week.

### Grading Scale

- 4-I did more than was expected of me (Wow!)
- 3-I did what was expected of me (Great!)
- 2-I did most of what was expected of me (Good effort.)
- 1-I did not do what was expected of me (Try a little harder next time.)
- 0-I did not even try very much (You need to try!)

### Upcoming Events

- September 6th- Fall Fundraiser will begin.
- September 29<sup>th</sup>- No school
