In an effort to make the first day of school easier for students, the Odessa R-VII School District will host its 20th annual districtwide Open House from 4:00pm-7:00pm on Monday, August 24.

The open house will give students and parents the opportunity to locate classrooms, meet teachers, drop off school supplies, check out lockers and combinations, confirm class schedules and ask any last-minute questions.

All health rooms will be open, and a health aide will be available to accept medications for storage before the school year begins. Transportation personnel will be present to answer questions regarding busing schedules, numbers, etc.

Odessa R-VII Board of Education

Popular control of public education is one of the cornerstones of a free society. The people exercise that control through their Board of Education. The following information briefly describes the workings of the Odessa R-VII School District Board of Education.

The Board is composed of seven citizens elected to serve overlapping terms of three years each. These Board Members are Board President Brian Young, Board Vice President Tahnamí Gittinger, and Directors Aaron Dillon, Chad Hubbard, Brian Madsen, Junior Munsterman, and Tim Wulfekotter. At the end of a term, a Board Member wishing to continue unsalaried service to the community must be re-elected to an additional three-year term. State law does not limit the number of terms a member may serve. Voting for school board positions takes place on the first Tuesday in April.

The Superintendent of Schools is appointed by the Board of Education and acts as its executive officer in administering the Board's policies in the operations of the schools. The Superintendent for the Odessa R-VII School District is Jon W. Oetinger. Dr. Oetinger acts as advisor in keeping the Board informed of the needs and progress of the schools. He is available to the Board as a professional resource and is expected to provide the Board with background information and recommendations regarding issues that require Board action.

The Board meets regularly on the second Tuesday of each month in the Odessa High School Library. Meetings are called to order at 7:00 pm and follow an agenda prepared by Superintendent Oetinger and Board President Brian Young. Patrons may request to have items placed on the agenda by presenting a written request to the central office one week before the regular Board meeting. When speaking to the Board, a patron shall give his/her name, address, and introduce the group, if any, that is being represented. Presentations should be as brief as possible and shall be limited to five minutes unless a time extension is granted. Residents are encouraged to first contact the administrator closest to a situation for questions before contacting the Superintendent of Schools. The Board will not hear personal complaints of school personnel nor those against any person connected with the school system. The Board's function is to make decisions.

When an item of business comes before the Board in the form of a

motion, it is necessary that a majority of votes be cast in favor of the motion for the Board to act. Members of the Board do not have authority to act independently as individuals in official matters. The Board has complete and final control over local school matters only limited by federal and state law, regulations of the state, and the will of local residents as expressed in district elections.

State law provides that all meetings of governmental bodies, including Board meetings, shall be open sessions unless a closed session is expressly permitted by law. Closed sessions are normally held to discuss student and personnel matters. A governmental body may hold a closed session only by an affirmative public vote of a majority of members present at the meetings and only to the extent a closed session meets the guidelines established by statute.

The District encourages its patrons to attend future meetings of the Board of Education. Continued interest and support helps ensure that educational opportunities will continue to expand and improve. ■

Online Registration Starts July 27

Do you dread filling out page after page, every year, when it comes to registering students for the new school year? Worry no more...online registration is here! In an effort to streamline the registration process for everyone, Odessa R-VII School District will require all families to register online for the 2020-2021 school year.

Families can register through the SIS Parent Portal from any computer. If parents do not have access to a computer or are uneasy about completing the forms on their own, computers will be available at each building for registration. Staff will be present at each site to assist and answer any questions.

Online registration allows the district to

create uniform online forms that remain in the system throughout the student's education. It permits schools in the district to use the same format for standardized documents/forms, keeping things simple for parents who may have multiple children in the district.

By utilizing an online registration system, schools may devote more resources to educating students rather than filling out paperwork, manually entering data, and trying to track down information that is filed away on paper.

For further information, please view the district website (www.odessar7.net/enroll), Facebook (www.facebook.com/odessar7) and Twitter (@odessar7). ■

Incoming sixth graders will have their own night to explore their new school during Sixth Grade Orientation on Thursday, August 11th. Held at the Odessa Middle School on a different night than the districtwide Open House, the event is designed for the students and parents new to middle school to ask questions and become acquainted with the school.

An orientation for the students and parents will begin at 6:00pm. Students will have a chance to tour the building, meet teachers, and check out lockers and combinations. Parents will meet in the gymnasium where they will be provided information about Odessa Middle School and have an opportunity to ask questions to ensure a great start to middle school for their students. Also during the meeting, information on signs of suicide (SOS) will be distributed to parents. Please do not bring school supplies this night. The evening will end at 7:00pm.

Safety Lessons and Reminders for Back to School Time

As summer vacation comes to an end, students across the country are readying themselves for the start of a new school year. With all of the excitement this time brings, safety may not be the first subject that springs to mind.

The District encourages parents to take time to talk with their children about safety before school starts. The following are a few guidelines for a safe school year:

Before school begins...

- Check student records at school.
 - Is your contact information correct?
 - Does the school have your work and cell phone number?
 - Have you listed alternate contacts in case you cannot be reached?
 - Are your student's medical records up to date, including allergies and current medications?
- Review with your student what will happen in an emergency.
 - Where will students be located?
 - When and where will parents reunite with children?

Before leaving home...

- Identification
 - Ensure that your student has identification with them that includes emergency contact information such as work numbers and cell phone numbers.
- Secret Password
 - Create a password that only your family members know. Anyone who picks up the child has to know the password. Remind them to never get in a stranger's car.
- Information sharing
 - Discuss with students the importance of sharing information. Stress to them that if they hear students talking about being

destructive or hurting someone, it is OK to tell a trusted adult - parent, teacher, counselor, law enforcement officer, or principal.

- Safest Route - Plan with your student the safest route to walk or bike. Practice the route several times reminding them how to safely cross streets and what to do when they come to an intersection.
- Clothing - If your student must walk or bike to or from school or stand at the bus stop, be sure that they wear light-colored clothing or clothing with reflective stripes.
- Bus Stop
 - Discuss with your student the importance of walking directly to and from the bus stop. No horseplay.
 - Do not allow your student to be at bus stop alone. They should go with a parent or buddy.
 - Remind them not to talk to strangers.

Violence Prevention...

- Know where your kids are, what they are doing, and who they are with at all times.
- Build a good relationship with your child through good communication. Encourage talk and be attentive. Talk about school daily.
- Communicate clearly on the violence issue. Explain that you do not accept and will not tolerate violent behavior. Teach children how to reduce their risk of being victims of crime.
- Settle your own conflicts peaceably and manage anger without violence. Help your children learn nonviolent ways to handle frustration, anger, and conflict.
- Take an active role in your children's schools. Talk regularly with teachers and staff.
- Set clear limits on behaviors in advance. Disciplining with framework and consistency helps teach self-discipline. ■

Free, Reduced-Price Lunch Applications to be Sent Home

A copy of the revised free and reduced-price policy as well as an application for free and reduced-price lunches will be sent home with all students. Additionally, all applications are on the district website.

Legislation requires school authorities to verify applications in accordance with regulation by the USDA.

Sources of information for verification may include written evidence, legally accessible records, collateral contacts, or school conferences. Households refusing to cooperate with verification efforts are subject to termination of benefits.

Students will pay for all a la carte items while going through the lunch line. ■

Center Provides Child Care Solutions

The Odessa School District Child Care Center provides care and developmental learning opportunities for children 6 weeks through preschool age. The center is located in its new facility on the McQuerry campus with a director and eight child care providers. Each staff member is trained in CPR and receives 12 training hours each year in child care education. The center bases its curriculum on the Missouri Learning Goals. The center will complete development portfolios for children 3-5 years of age and will conduct parent conferences to discuss each child's progress.

The location of the Child Care Center on the McQuerry campus provides extra opportunities for children preparing for kindergarten. Children 3-5 years old have many extra experiences. These include attending the McQuerry Library once a week for story time and book checkout, taking a field trip at least once a year, serving as peer-mentors for the Early Childhood Special Education class in the

S.O.A.R. Program Offers Parents Before and After School Care

Finding reliable before and after school child care can add stress to every working parent's life. The District's S.O.A.R. program can help ease that stress by providing a solution to that dilemma for area parents. S.O.A.R. (Student Opportunities for Activities and Recreation) is the District's school-age child care program where trained staff members care for children grades K-6 before and after school. It is located at the east end of the cafeteria in the McQuerry Elementary building located at 607 South Third Street.

The program is licensed. Its curriculum includes art, cooking, games, science, creativity, free-choice activities, music, manipulatives, reading, computer-use, and dramatic play. The program also includes on-site presenters and field trips for the students. The staff takes special care to provide developmentally appropriate activities for children who attend.

If you have any questions regarding the S.O.A.R. program, please contact Wendy Reynolds, S.O.A.R. Director, at (816) 633-5437 or wreynolds@odessar7.net or Daniel Armstrong, McQuerry Principal, at (816) 633-5334 or darmstrong@odessar7.net. ■

Parental Involvement for Title I Program

District Policy

Pursuant to federal law, the district and parents of children participating in the Title I Program will jointly develop and agree upon a written parental involvement policy. This policy will describe how the agency will accomplish the following:

- Involve parents in the joint development of the Title I Program plan, and in the process of reviewing the implementation of the plan, suggest improvements.
- Provide the coordination, technical assistance, and other support necessary to aid participating schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance.
- Build the schools' and parents' capacity for strong parental involvement.
- Coordinate and integrate Title I parental involvement strategies with those of other education programs.

- Conduct, with the assistance of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served, including identifying barriers to greater participation by parents in activities authorized by law, particularly by parents who are economically disadvantaged, have disabilities, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background. The district will use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, the appropriate policies.
- Involve parents in the activities of the schools served.

School Policy

Each school receiving Title I funds will jointly develop with and distribute to parents of children participating

in the Title I Program a written parental involvement policy agreed upon by such parents in accordance with the requirements of federal law.

- The policy must be made available to the local community and updated periodically to meet the changing needs of parents and the school.
- The policy shall contain a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility of improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children.
- Each school participating in the Title I Program will convene a meeting annually to inform parents about Title I and to involve parents in the planning, review, and improvement of Title I programs, as well as the school parental involvement policy. ■

Odessa R-VII Public Foundation

The Odessa R-VII Public Foundation is a nonprofit dedicated to enhancing public school education. Each year this organization raises over \$10,000 to support students and teachers.

In order to continue the pursuit of excellence, you are asked to support the efforts by joining us at the annual Foundation Gala. The gala is a formal spring event honoring district alumni and outstanding citizens with induction into the Foundation Hall of Fame.

STUDENT SCHOLARSHIPS: One student scholarship is awarded to a graduating senior annually in the amount of \$2,500. The recipient demonstrates community service and involvement, good moral character, and above average aptitude.

TEACHER GRANTS: Each year several grants totaling \$7,500.00 are awarded to our district's teachers. The grants are open to any Odessa R-VII employee whose grant proposal demonstrates activities that will help to improve student achievement and learning. ■

Expectations for Bus Riders

Bus assignments are made by the bus company. Only emergency situations will be accommodated in switching a bus. Dismissal procedures for students need to stay consistent. If you require a bus switch because of an emergency, call the respective building and speak with the administrator. Only the building administrator can grant an emergency privilege.

Bus transportation is provided by the district to qualifying students. Students who do not obey the rules and/or do not obey the bus driver are subject to disciplinary action. Classroom behavior is expected on the school bus. Any offense committed by a student on transportation provided by the district may be subject to discipline in the same manner as if the offense had been committed at the student's assigned school. (Board Policy JG-R1)

The following infractions would result in immediate suspension from the school bus:

1. Fighting or assault.
2. Use, possession, distribution or sale of tobacco and/or tobacco products or of an item represented to be tobacco or a tobacco product.
3. Possession, sale, distribution, use or under the influence of alcohol or a controlled substance or an item represented to be a controlled substance.
4. Possession of a weapon or fireworks.
5. Any other student behavior deemed to necessitate suspension from the bus.

Disciplinary action will be decided by the school administration on a case-by-case basis. Investigation into any misconduct and the resulting consequences will be handled by the school administration. All infractions will accumulate for the entire year. Consequences may include conferences with the student, phone call to parents, restitution to wronged

parties, detentions, bus suspensions, ISS, OSS, expulsion, and referral to the proper legal authorities in addition to those consequences listed above for serious and/or consistent misbehavior. Frequent and consistent misbehavior on school buses may lead to more serious consequences. Students with disabilities will be disciplined in accordance with their Individualized Education Program (IEP) or applicable law.

Bus suspensions will not start until an administrator has contacted a parent by either telephone or written notice. However, a student whose conduct may endanger the safety of himself/herself or others on the school bus will not be allowed back on a school bus until a conference with the parents has been held, with the following exception: if contact with the parent cannot be made, safety will take precedence.

After a student has accumulated more than 10 days of bus suspensions during a school year, the student will be recommended for a bus suspension for the balance of the semester/school year. Parents may appeal this decision to the Assistant Superintendent of Schools.

Please be aware that a person commits the crime of trespassing on a school bus if he knowingly and unlawfully enters any part of or unlawfully operates any school bus. (569.155RSMo) ■

2020-21 Transportation Procedures and Policies

Bus service is provided by the school district. Students who do not observe the rules, and/or do not obey the driver are subject to disciplinary action. Cameras have been placed on all buses to help ensure the security and safety of all bus riders.

Prior to loading:

1. Pupils must be on time! The bus cannot wait beyond its regular schedule for those who are tardy.
2. Bus riders should conduct themselves in a safe manner while waiting for the bus.
3. Bus riders should wait until the bus comes to a complete stop before attempting to board the bus. Riders should never stand in the roadway.
4. Pupils waiting for the bus on the opposite side of the road should not cross the road to board until the bus comes to a complete stop, and the bus driver motions to the students to cross the road.

After leaving the bus:

1. Students should cross the road, when necessary, at least 10 feet in front of the bus. Students should look to see that no traffic is approaching from either direction. Students should also wait for a signal from the bus driver before crossing. Students should never cross behind the bus.
2. Students should not run beside the bus or hang onto it in any way. CLEAR the bus path as soon as possible.

While on the bus:

1. The driver is in charge of pupils and the bus. Pupils must obey the driver promptly.
2. Unnecessary conversation with the driver is prohibited.
3. Classroom conduct is to be observed by the students while riding the bus.
4. Pupils should remain seated until the bus has fully stopped at its destination.
5. Pupils must not, at any time, extend arms or head out of the bus.
6. The use of tobacco, food, or drink on the bus is prohibited. Animals and oversize objects, as well as glass containers and balloons, are prohibited.
7. Keep aisles and stairs clear at all times.
8. If a student willfully causes damage to a bus, the student will be charged for those damages.
9. Students will be assigned seats by the bus driver.

Other transportation policies:

1. The district will abide by all state rules and regulations regarding bus transportation.
2. No student will be able to ride a different bus than the one he or she has been assigned. The only exception will be in an emergency, and it must be approved through the school office.
3. Students who ride the bus that goes by a babysitter's house may make arrangements to be dropped off at the babysitter's house, but it MUST be daily and MUST be approved by the school office.
4. The Apple Bus Company has a policy which indicates they will not go farther on the road than the last child's house who is to be picked up. If driveways are not suitable to turn the bus around, the child must catch the bus at the location where the bus can turn around. Buses will be required to come to a complete stop at their pick-up points, and do their utmost to be within five minutes of their pick-up time. Students will be picked up at their designated bus stop and dropped off at the same. There will not be undesignated stops.
5. If your child has not boarded the bus three days in a row, you will need to contact Apple Bus Company to resume transportation services.
6. Please provide Apple Bus Company with current telephone numbers to enable us to reach you or a babysitter.
7. Kindergarten and young students only: If your child is not to get off the bus unless someone is available to receive him/her, Apple Bus Company must have this information on file. If no one is home to meet your child, telephone calls will be made to try and reach someone, or your child will be brought back to the bus lot.
8. Early childhood: The district requires that someone bring early childhood students to the bus stop and meet students returning from school at the bus stop.
9. Please go over the bus rules with your child. We want to make sure each child has a safe ride, and we need your support to help us do this.
10. Bus routes will be in SIS Parent Portal before school starts and are subject to change.
11. If your address changes at any time, you need to contact Apple Bus Company to inform them of the change. ■

Anonymous Reports of School Violence

The Odessa R-VII School District is committed to the safety and security of students, staff, and patrons during school hours and at school events. If teachers or administrators are not readily available to speak with, we hope that concerning behavior involving students will still be reported. Courage2ReportMO takes reports involving Missouri students in pre-K through 12th grade, 24 hours a day, 7 days a week. Some examples of violence that could be reported may include: assaults, bullying, fights, property damage, sexual misconduct, threats, weapons, and self-harming. ■

THREE WAYS TO REPORT:

- 1. **CALL:**1-866-748-7047
- 2. **DOWNLOAD:** Free "Courage2Report" App
- 3. **WEBSITE:** www.Courage2ReportMO.com

Include school name and city when reporting.

Emergency List Should Include Names of Responsible Adults

When authorizing another person to pick up your child at school, please carefully consider the following criteria. People you list on your child's School District Emergency Card should be:

- At least 18 years old
- Usually at home during the day
- Able to walk to school if necessary
- Known to your child
- Aware of and able to assume this responsibility

**We will not release your child to an older sibling or anyone else not listed on the emergency card. ■*

Emergency Procedures in Place

The Odessa R-VII School District is prepared to respond effectively should an emergency or disaster situation arise while school is in session. While we hope that a serious incident never occurs, our goal is to be prepared for any potential emergency.

At all times, our first priority is to protect all students and staff from harm. School personnel will care for your child if a disaster occurs during school hours. Our district has a detailed disaster plan, which has been formulated to respond to major emergencies. In an emergency, we need your cooperation to help us protect the safety and welfare of all children and school employees.

- In an emergency, we request that you not come to the school. It may be necessary to keep the streets and parking lots clear for emergency vehicles.
- If the emergency or disaster harms students or staff, we will broadcast emergency announcements and status reports as well as instructions on where you should go and how and when you may be able to pick up your child. Tune your radios and televisions to the same stations you would listen to or watch when seeking weather dismissal information.
- If the Odessa R-VII School District receives a bomb threat, we will relocate students. We will alternate locations to which we relocate them, and we will not announce these locations ahead of time to deter any perpetrators from planting explosive devices at alternate locations.
- We will not release students to anyone en route to the alternate location. If we did, we would be unable to account for the location of all of our students.
- Once students reach the alternate location, they will stay there for the remainder of the school day.

- Students at the alternate location will be released only to parents and persons identified on the School District Emergency Card.
- For a bomb threat, we will not broadcast information on the radio or television. Experts say broadcasting such information encourages repeat and copycat behavior. However, if an explosive device is found, we will notify the public.
- If school is to be canceled for the next day, we will announce the cancellation via radio and television. If you hear no announcement of a cancellation, you will know that all buildings have been searched by trained personnel, and that they have given us an "all clear" to conduct classes and activities according to our regular schedule. We will not occupy buildings until professionals clear them. Please assure your child we will take these steps. After an incident of this nature occurs, we will send parents a letter the next day explaining it to the best of our knowledge.

Please discuss these matters with your family. Talk with your children about such emergencies and emphasize how important it is for them to follow instructions from their teachers and school officials. Assure them we will care for them during any situation. Additionally, please talk to your child about an alternate place to obtain a key to your house. In an emergency, students might need to leave backpacks or purses at the school site.

Planning ahead will help alleviate concern during an emergency situation. We are proud that Odessa R-VII is a safe school district, and we are doing everything possible to keep it that way. We appreciate your cooperation and support.

If you have any questions, please contact Dr. Roger Feagan, Assistant Superintendent, at (816) 633-5316. ■

A+ Program drives students to perform well

The A+ Schools Program was created in 1993 by state law as an incentive for improving Missouri's high schools. The A+ program offered by the Odessa R-VII School District will help pay for two years of college tuition at a Missouri community college or area vocational-technical school for qualifying students.

To be eligible for the A+ Schools Program incentives, the student must be designated as an A+ Program Student, which includes:

- Enter into a written agreement with the high school prior to graduation.
- Attend a designated school for three consecutive years immediately prior to graduation.
- Graduate with an overall grade point average (GPA) of 2.5 points or higher on a 4-point scale.
- Have an overall attendance rate of at least 95 percent for grades 9-12.
- Perform 50 hours of district-supervised, unpaid tutoring or mentoring.
- Maintain a record of good citizenship and avoid the use of drugs and alcohol.
- Receive a score of Proficient or Advanced on the Algebra I EOC exam or earn a math subscore of 17 on the ACT exam.

The financial incentive is available only after the student has made a good faith effort to first secure all available federal financial aid through the Free Application for Federal Student Aid (FAFSA) that does not require repayment. Parents must complete and send in the Free Application for Federal Student Aid (FAFSA) form. Parental income is not a criteria for an A+ student incentive reimbursement.

Students may receive this incentive for a maximum of six semesters and must be enrolled as a full-time student and maintain a GPA of 2.5 or better on a 4.0 scale. Students are eligible to use the incentive for up to four years after high school graduation, subject to legislative appropriation.

More than 90,000 students statewide have qualified for the A+ financial incentive since the program's inception. If you would like more information concerning the A+ program, please contact A+ Coordinator Ashley Ray at (816) 633-5533 or aray@odessar7.net. Those interested may also stop by the high school to pick up a brochure. ■

PAT helps district children enter school ready to learn

Children who are prepared for kindergarten continue to do well in the early grades of elementary school, and they are more likely to graduate from high school and go on to be successful in life.

Parents who participate in Parents as Teachers (PAT) through home visits, group connections, and screenings are more confident about their parenting and more involved in their children's schooling, which is a key component of a child's success in school.

Research shows that participation in PAT, together with preschool, not only positively impacts children's school readiness and school achievement scores, but also narrows the achievement gap between children in poverty and non-poverty households.

When children had at least two years of PAT combined with a year of preschool, 82 percent of poor children were ready for school at kindergarten entry—a level identical to non-poverty children who had no PAT or preschool experience.

Our vision is that all children will learn, grow, and develop in order to realize their full potential. Children who participate in PAT:

- are more advanced at age 3 in language, social development, problem solving, and other cognitive abilities;
- score higher on kindergarten readiness tests;
- score higher on standardized measures;

- show better school readiness at the start of kindergarten;
- achieve higher reading and math readiness at the end of kindergarten;
- achieve higher kindergarten grades; and
- require fewer remedial education placements in first grade.

PAT children continue to achieve beyond kindergarten:

- They scored significantly higher on standardized measures of reading and math at the end of first grade. In addition, teachers rated PAT children's achievement progress higher than control group children's progress in all areas.
- They continued to perform better than non-PAT children on standardized tests of reading and math achievement in second grade. Compared to non-PAT children, PAT children required half the rate of remedial and special education placements in third grade.

Group Connections

A variety of group connections are offered throughout the school year. A list of activities will be provided to families at their initial visit.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are...

1. The right to inspect and review the student’s education records within 45 days after the day the Odessa R-VII receives a request for access. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask Odessa R-VII to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Odessa R-VII to comply with the requirements of FERPA. The name and address of the office that administers FERPA is...

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from student’s education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student...

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student’s State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system’s ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as “directory information” under §99.37. (§99.31(a)(11))

Immunization Requirements for 2020-2021

All students must present documentation of up-to-date immunization status, including month, day, and year of each immunization before attending school.

The Advisory Committee on Immunization Practices (ACIP) allows a 4-day grace period. Students in all grade levels may receive immunizations up to four days before the due date.

Required immunizations should be administered according to the current Advisory

Committee on Immunization Practices Schedule, including all spacing, (<http://www.cdc.gov/vaccines/schedules/index.html>).

To remain in school, students “in progress” must have an Immunization In Progress form (Imm.P.14) on file. In progress means that a child has begun the vaccine series and has an appointment for the next dose. This appointment must be kept and an updated record provided to the school. If the appointment

is not kept, the child is no longer in progress and is noncompliant. (i.e., Hep B vaccine series was started but the child is not yet eligible to receive the next dose in the series.)

Religious (Imm.P.11A) and Medical (Imm.P.12) exemptions are allowed. The appropriate exemption card must be on file. Unimmunized children are subject to exclusion from school when outbreaks of vaccine-preventable diseases occur.

Superintendent

Dear Parents and Patrons:

It is my honor to welcome you to the 2020-2021 school year in the Odessa R-VII School District. All of the information that you will need for a smooth transition into the new school year routine – district calendar, classroom supply lists, enrollment information – should be found within the pages of this newsletter.

Make plans now to attend the **20th Annual Open House on August 24th**. Incoming sixth graders are encouraged to attend the **Sixth Grade Registration/Orientation on August 11th** at the middle school and the incoming ninth graders are encouraged to attend the **Freshman Orientation on August 20th** at the high school. Please do not miss this opportunity to meet with your child's teacher(s) and ask any questions you may have concerning the start of the new school year.

The Odessa community is very supportive of the students in the Odessa R-VII School District and we look forward to working with you to make this another successful year. Please do not hesitate to contact us at the telephone numbers provided if you have any questions.

Sincerely,

Jon W. Oetinger, Ed.D.
