4. Roberta Casteel Capps Scholarship

While chapter sponsorship is no longer required, a chapter may work with a student to put the information together to send to the state chair. Chapters should follow the instructions carefully on the application form to determine if the applicant has the criteria of the scholarship for which he/she is applying.

Only winners will be notified.

If a state chair assists the applicant and mails the application, the sealed references or transcripts may be opened to put them in order before mailing. Please do not do this while the student is present.

Each scholarship is funded by an endowment of funds left in a will or an outright gift by an individual or family which states certain conditions. MSSDAR honors those wishes. The amount of the award for each scholarship is based on the actual income from the fund and takes into consideration the amount of money that is already committed.
