

The Mayview Lion's Club Jeff Sanders Memorial Scholarship

The Mayview Lions Club Jeff Sanders Memorial Scholarship is open to all graduating seniors from Odessa High School. It is designed to provide an opportunity for a determined, civic minded, serious student who intends to pursue further education or training at an accredited college, technical or trade school. Scholastic success and evidence of determination, commitment and a desire to succeed are determining factors rather than just class rank or ACT scores. It is intended for someone that shows respect for themselves, their families, and their communities.

Jeff was a 1980 graduate of Odessa High School, member of OHS FFA and a lifelong farmer in Mayview. He was a third generation member of the Mayview Lions Club. He was a man that believed in serving his community and helping his neighbors. There are many signs of the things Jeff had a hand in doing to improve his community.

The money for this scholarship was donated by family, friends and community members to the Mayview Lions Club to honor the memory of Jeff Sanders. While the family would like to review the applications, the selection will be made by a committee from his community.

The scholarship money will be distributed to the Business Office of the chosen college or school and can be used for either tuition or books.

All typewritten or word processed applications must be submitted to the Odessa High School Counselor's Office by April 1.
