

## THE KRIS ADAMS MEMORIAL SCHOLARSHIP

(\$300 non-renewable)

The Kris Adams Memorial Scholarship is open to all graduating seniors from Odessa R-7 High School. It is intended that this scholarship provides an opportunity for a determined, serious student who intends to pursue further education or training at an accredited college, technical or trade school. Scholastic success and evidence of determination, commitment and a desire to succeed are determining factors, rather than just class rank or ACT scores.

Throughout her life, Kris showed strong determination to apply herself to the best of her ability, excelling in academics and athletics in high school. After graduation, she displayed the same dedication to her career and her family. The money for this scholarship fund was donated by friends, co-workers, and community members to honor the memory of Kris Adams Moore.

The family will review the applications and make their selection. The money will be distributed directly to the student and be their responsibility to forward it to the college of their choice for either tuition or books.

Return application to the Odessa High School Counselor's Office by April 6.

## THE KRIS ADAMS MOORE MEMORIAL SCHOLARSHIP

Application due date: April 6
