

THE BRIAN ALLEN MOORE MEMORIAL SCHOLARSHIP

The Brian Allen Moore Memorial Scholarship is open to all graduating seniors from Odessa High School. It is intended that this scholarship provide an opportunity for a determined, serious student who intends to pursue further education or training at an accredited college, technical or trade school. Scholastic success and evidence of determination, commitment and a desire to succeed are determining factors rather than just class rank or ACT scores.

Throughout his life, Brian showed strong determination to apply himself. He enhanced his talents through Vo-Tech. He became successful owning and operating his own business. Throughout the Community and County you can see the results of his mind and hands working together. The money for this scholarship fund was donated by family, friends and community members to honor the memory of Brian Moore.

While the family would like to review the applications, the selection will be made by a committee from Odessa High School. The money will be distributed to the Business Office of the chosen college or school and can be used for either tuition or books.

Return the application to the Odessa High School Counselor's Office by April 5th.
