December 2022

OMS Students, Families, and Staff,

First semester is flying by! The PE teachers are gearing up for our Annual Dodgeball tournament next week. Students can pay \$10 to play. They can have a team of 8 already picked or sign-up as an individual and will get placed on a team. Coach Doyle and Coach Coffman have the forms and info outside their PE doors. The winning student team will play the winning staff team! This is always a fun day for the whole building. The kids LOVE to beat the staff team! It is hard to tell who has more fun, the students or the "big kids"!!

When students return from Winter Break they will start their new exploratory classes. If they forget what they have, they can stop by and see our fabulous secretaries for a new schedule.

Please help encourage your students to respect the school property. There are several bathrooms that have been vandalized and trashed during the school day. We appreciate all the students who are doing the right thing and being respectful of our school property.

Next Thursday is our Annual Ugly Sweater Christmas contest!! We cannot wait to see what everyone wears. There will be prizes handed out during the day!

Yours in Education,

Mrs. Malizzi, OMS Principal
