January 2022

OMS Students, Families, and Staff,

Happy 2022! We are excited to finish our second half of the school year strong! Our Winter Guard club has two more performances left. They have amazed me with their talent, and how fast they can carry off the 200 pound mat! #strong

We are excited to see our students maturing and continuing to learn and grow as individuals. It warms my heart to listen to conversations with our Bulldog Ambassadors assisting our new students. Have you ever moved to a new school and did not know anyone? Never used a combination locker before? Got lost going to your next class (even though it was just next door)? Well OMS has some compassionate kiddos who step-up and help each other out. The kindness they show to a new student is powerful and contagious. Thank you to all of our OMS students for being kind and amazing!

Yours in Education,

Mrs. Malizzi, OMS Principal
