**OMS Newsletter**

**October 2021**

OMS Students, Families, and Staff,

The end of first quarter is fast approaching on October 15th, and students in quarter classes will be changing to their quarter two exploratory classes. This is always a fun time for students to get to experience new classes within the same school year.

Our parent/teacher conferences will be held on Thursday, October 21st from 3-7pm. Teachers are calling home to schedule conferences for students with grades, behavior or attendance concerns. We welcome everyone to come in for a conference. Please call the building office at 816.633.1500 to set-up a parent/teacher conference. During conferences the teachers and families will work together to develop success plans as needed. We encourage the students to attend the conferences, so they can hear the great things about themselves!

This week has been a flurry of excitement so far, with our students participating in the homecoming spirit week! Tomorrow is champion day with class colors as we celebrate our students participating in the Special Olympics track meet at OHS. Our building will kick off this special day for our athletes with a parade of Athletes in the OMS halls! We will have the music cranked up and we will be cheering on our student athletes as they make their way around the building!

Yours in Education,

*Mrs. Malizzi, OMS Principal*

## **Athletics and Activities Alert:**

OMS Activities have seen a lot of success in September! Volleyball is currently 3-0 for both the A and B teams. In fact, they have not went to a third set yet. The Football teams have been competing well with the A Team at 1-1 and the B Team at 0-2 (well played and hard fought losses though). Cheer Club started on August 30 and has 19 cheerleaders out. They have done great at our two home football games. The Cross Country teams have been raking in the medals! Between both the Boys and Girls teams, they have brought home 19 individual medals in the first two meets, with three of these being 1<sup>st</sup> place.

September has flown by! In fact, Fall OMS Sports Seasons are all completed by the end of the month; however, October is also the busiest time for these sports. This month we have three football games, four cross country meets, five volleyball games, and two tournaments. It is definitely an exciting time of year as we celebrate homecoming spirit days and festivities to start the month. By the end of the month, Winter Sports will kick off with Wrestling starting practice on October 25 and Basketball on November 1.

Good luck to all our Fall OMS Activities as they compete this month!

*Mr. Begemann, OMS Assistant Principal & Athletic Director*
